WAGONEER S

BUYER'S GUIDE

Jeep[®]

Preproduction model shown throughout Buyer's Guide. Actual production vehicle and features may vary.

Seek freedom in style with the all-new, all-electric 2024 Jeep® Wagoneer S. Crafted with the same passion and adventure woven into every Jeep vehicle, Wagoneer S is a showcase of elegant appointments and impressive performance credentials: 300+ Miles-All-Electric Range,¹* 600 horsepower and 0-60 mph with rollout subtracted in 3.4 seconds. The first 100 percent Electric Vehicle (EV) in North America from the Jeep Brand is everything you need for a modern life.

MAKE EVERY
ADVENTURE
EXQUISITELY
REFINED

A SLEEK AND ENLIGHTENED PROFILE

THE ELEGANCE OF UNCOMPLICATED DESIGN Muted brightwork, matte finishes, satin tones and a Black roof are designed not to distract from the sculpted exterior. Further sophistication and elegance come from robust 20-inch wheels on low-profile tires and the R-wing off the rear hatch. Open-air freedom is experienced through the standard dual-pane panoramic sunroof.

AN AUTHENTIC ORIGIN STORY The seven-slot grille is iconic to the Jeep® Brand, and the cantilevered design is telltale to the Wagoneer nameplate. As an Electric Vehicle (EV), airflow isn't needed to cool an engine. Instead, distinctive LED lights illuminate the robust front end.

MAXIMIZING EFFICIENCY The Wagoneer S airflow management system boasts a series of integrated underbody aero shields, side sills that direct air around the wheel arch, flush door pulls and a front grille with active aero shutters. The result is an extremely low drag coefficient among Jeep vehicles.

THE BEAUTY WITHIN

Surround yourself with evolved design and fine details, such as perforated leatherette power seats, soft-wrapped door bolsters and armrests, suede headliner and a tailored driver control center with a unique Selec-Terrain® toggle. Premium technology seamlessly integrates throughout the entire width of the instrument panel with 45 inches of total display screen area, which is best in class among Electric Vehicle (EV) models*. The mood can match your drive via dynamic direct ambient lighting with 64 selectable colors.

* A note about this brochure: all disclosures can be found on the last page.

LAUNCH EDITION

STANDARD

CAPABILITY/FUNCTIONALITY

- Dual All-Electric Drive Motors, Powered by 100-kWh, 400-volt Battery Pack for Maximum Output of 600 hp and 617 lb-ft of Torque
- Battery Electric Vehicle (BEV) Cooling
- 4x4 System
- Selec-Terrain® Traction Management System
- Battery Charge Indicator
- Active Grille Shutters

EXTERIOR

- Dark Neutral Gray Exterior Accents
- 20-inch Gloss Black-Painted Aluminum Wheels

*Curb weights are estimates and include standard equipment and full quantities of lubricant and coolant.
**Payload is the maximum allowable weight of driver, passengers, cargo and options, rounded to the nearest 10 lb.

(1) Manufacturer's estimated range based on current internal data and a fully charged battery achievable under ideal driving conditions. Actual range may vary and depends on various factors, including but not limited to: weather conditions, traffic conditions, driving style, terrain, tire, wheel and additional accessories equipped on the vehicle. Contact dealer for more details. (2) Based on U.S. IHS Premium Mid-Size UV segment, excludes other FCA US LLC models. Based on the latest available competitive information. (3) This system is not intended to be used while vehicle is in motion. (4) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. Apple terms of use and privacy statements apply. (5) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. (6) All SiriusXM services require a subscription, sold separately by SiriusXM, after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. (7) Three-month/3GB trial included with the purchase or lease of a new vehicle. Upon the earlier of either the expiration of the trial period or usage of included 3GBs, the trial ends. Purchase of a subscription is required to continue service. Wi-Fi Hotspot available through third-party provider subscription and subject to provider terms and conditions. Requires eligible vehicle with Internet-enabled mobile device. Contact your dealer for details. Wi-Fi Hotspot functionality available in U.S. and Canada only. Coverage and service not available everywhere. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (8) All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), up to five years of Vehicle Performance Package, and up to 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrollment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (9) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (10) Always sit properly in designated seating positions with seat belts securely fastened at all times. (11) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (12) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (13) Always check visually for vehicles prior to changing lanes. (14) Always check entire surroundings visually before proceeding. (15) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (16) This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (17) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (18) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (19) Always drive carefully, consistent with conditions. (20) Vehicle must be locked and system activated for alarm to sound.
